Little House on the Prairie - The Musical

ECT's production of Little House on the Prairie the Musical is fully casted and rehearsals are well underway.

Our talented Musical Director Zoe Clemens has been working hard on both large 3- and 4-part harmonies for ensemble songs as well as smaller groups and solos.

The cast is having a blast working together, lots of fun and laughter but no shortage of hard work. Our choreographer Marilyn Abraham has started the choreography and with the leadership of our Director Acey Kaspar and the rest of the crew we have begun rehearsing specific scenes.

Thank you to the Shaw Family for working alongside Zoe Clemens and David Tanner to produce and record the music for our production! We would like to put a few faces to our cast of characters.
